Elementary K-5

Britannica Online School Edition

Britannica Online School Edition gives teachers and students instant access to four complete encyclopedias that ensure consistency with classroom topics and age-appropriate language. Online learning materials developed by teachers and curriculum experts, as well as a dictionary, thesaurus, Internet guide, and atlas.

EBSCO Animals

Indexing, abstracts, and full text records describing the nature and habitat of familiar animals. Within some of the full text, image links are available for the Windows client.

NoveList K- 8

For teachers and younger readers who want to find fiction titles for classroom use or reading including picture books, children's chapter books and young adult titles. Full-text book reviews, teacher resources, thematic units, and BookTalks are available. Search options include theme, setting, instructional unit, and culture. Updated monthly.

Primary Search

Gathers information on a wide range of general topics for elementary schools and children's reading rooms. Includes a searchable full text of articles, reports and special issues from over 50 of the most popular K-12 magazines. Includes searchable full text for over 100 pamphlet, essential documents in American History and the CIA Fact Book (and maps), The World Almanac of the U.S.A. and The World Almanac for Kids.

Searchasaurus for Kids

Easy-to-use, colorful interface for young kids. Databases include Primary Search, Middle Search Plus, Funk & Wagnalls Encyclopedia, and EBSCO Animals.

Grades 6 & up

Britannica Online School Edition

Britannica Online School Edition gives teachers and students instant access to four complete encyclopedias that ensure consistency with classroom topics and age-appropriate language. Online learning materials developed by teachers and curriculum experts, as well as a dictionary, thesaurus, Internet guide, and atlas.

EBSCO Animals

Indexing, abstracts, and full text records describing the nature and habitat of familiar animals. Within some of the full text, image links are available for the Windows client.

Funk and Wagnalls New World Encyclopedia

Provides over 25,000 encyclopedic entries. Searchable by subject or keywords within the entry.

Health Source: Consumer Edition

Health topics including the medical sciences, psychology, food sciences and nutrition, childcare, sports medicine, health care law and general health.

MAS Ultra - School Edition

Designed for high school and junior college libraries, searchable full text of articles, book reviews, pamphlets, abstracts, charts, tables and historical documents.

Middle Search Plus

Designed to assist middle and junior high school students in learning how to research current events.

NoveList

Provides subject access to over 100,000 fiction titles. Search options include author, title, description, genre, award, reviews, and publishers. Librarians can read and use feature articles, book discussion guides, and BookTalks (children and YA).

NoveList K-8

For teachers and younger readers who want to find fiction titles for classroom use or reading including picture books, children's chapter books and young adult titles. Full-text book reviews, teacher resources, thematic units, and BookTalks are available. Search options include theme, setting, instructional unit, and culture. Updated monthly.
